The Sacraments: Discovering the Treasures of Divine Life

Some of the most important and necessary building blocks of human life are so often taken for granted: water, air, fire, food. . . . We live each day without any sense of gratitude for these blessings that sustain our physical life.

And so it is for our spiritual life. The sacraments are the very lifeblood of our soul, yet in the midst of our busy lives, we can fail to understand their power and importance. Without them, we are spiritually dead. With them, the very life of God runs through us.

In this new 8-part program from Saint Benedict Press, the Church’s sacraments are presented in such a way that no viewer will ever again take them for granted. Host Fr. Matthew Kauth brilliantly illuminates not only the scriptural foundation and profound spiritual realities of each sacrament but also the necessity of each as a means to living a happy and fulfilled life.
